

DESIGN SERVICES PROGRAM

*Try our spectacular Theater Design Services
(AT NO COST!*)*

For a limited time and for select qualified CinemaTech Dealers only, we are please to offer our award winning Theater Design Services at no cost.*

The CinemaTech Design Services Program, **DSP**, which is normally purchased for \$7,500.00, will be made available to you for only **\$2,500.00** – AND the entire \$2,500.00 is fully refundable when you purchase either, CinemaTech Seating or CinemaTech Acoustic Room Systems for the designed theater project!

The **DSP** includes in-depth design consultations with a CinemaTech senior theater designer, preliminary design drawings (including floor plan, seating layout, wall elevations including sight lines, and a reflective ceiling plan), artesian generated 3-D Computer Renderings (4 views) and a beautiful color board of the theaters exact finishes and textures.

Everything you need to:

- Make your clients inspiration and vision an actual one of a kind custom home theater
- Move your client from the “dream stage” to the reality stage
- Free up your staff and begin to make significant margin in a new category
- Learn why so many top tier Dealers rely on CinemaTech’s theater expertise and products
- Make more margin with less resources and less headache

We created the **DSP** to allow us to introduce our superior theater design capabilities to those great CinemaTech Dealers that have relied on our outstanding seating products for years, but have not yet experienced CinemaTech theater products and services. * **Some limitations and time constraints apply so please talk with your CinemaTech theater consultant today.**
